THE BOARD'S PROPOSAL FOR RESOLUTION ON AUTHORISATION FOR THE BOARD TO RESOLVE ON TRANSFER OF OWN SHARES

The board of directors proposes that the general meeting authorises the board to resolve on transfer of own shares on one or several occasions during the period up to the annual general meeting 2019 in accordance with the following.

1. Transfer of own shares must be made either on Nasdaq Stockholm or in another manner.
2. Transfer of own shares may be made with deviation from the shareholders' preferential rights.
3. The maximum number of shares that may be transferred is the total number of own shares held by the company at the time of the board's resolution to transfer the shares.
4. Transfer of own shares on Nasdaq Stockholm shall be made at a price within the stock market price interval registered at any given time, such interval being the interval between the highest purchase price and the lowest sales price; transfer of own shares in another manner shall be made at a minimum price that shall be determined in close connection with the shares' quoted price at the time of the board's resolution to transfer the shares.
5. Payment for the transferred shares may be made in cash, by contribution in kind or by set-off.
6. The board is entitled to determine the other terms and conditions of the transfer which, however, shall be in accordance with the market practice.

The reasons for the proposed authorisation to transfer own shares and for the deviation from the shareholders' preferential rights are to be able to improve the company's capital structure, to cover costs relating to LTI 2015-2018 (including costs related to the JSOP) as well as to increase the flexibility of the board in connection to potential future corporate acquisitions, by facilitating a fast and cost-efficient financing by divesting holdings of own shares.

A resolution passed by the general meeting in accordance with this proposal is valid only when supported by shareholders holding at least two thirds of the votes cast as well as of the shares represented at the general meeting.
